A photograph of a classroom or workshop. In the foreground, many students are seen from behind, wearing white t-shirts with the text 'ESTÚDIO MULTIMEIOS' and logos for 'BAHIA' and 'pepsi'. They are seated in blue plastic chairs. At the front of the room, a teacher is standing near a projector screen displaying a presentation. The room has large windows on the left and a door on the right. The overall lighting is dim, with a blue tint.
